

Policy & Guidelines for Under 18 Students residing in On Campus Accommodation

1. Introduction

These guidelines apply to students who will be UNDER 18 at the point of entry into Regent's University London accommodation on campus. The purpose of the guidelines is to promote and safeguard the welfare of students who are under the age of 18 years whilst living on campus. The policy will cease to apply to students once they reach their 18th birthday.

2. Application Process

Students who will be under 18 years of age when they move into the accommodation will be required to provide the contact details of a parent or guardian who will be responsible for all contractual matters and will be the primary contact for the housing booking until the student turns 18.

In the case of Study Groups residing in Reid Hall, Group Leaders will be responsible for all contractual matters and will be the primary contact for the housing booking.

3. Whilst a Resident in Reid Hall

Students and their families should bear in mind that the on-campus accommodation is an adult environment with shared communal areas. The shared bathrooms are segregated by sex but not by age.

The University cannot assume parental responsibility for a student under the age of 18 years. Students are expected to behave like adults and to assume adult levels of responsibility. They are expected to have the necessary skills to study and live independently alongside people from a wide variety of backgrounds. Places in Reid Hall are offered on the understanding that the student will be able to adapt to living away from home and to looking after.
